1) A provision of Rs 20,000/- had been made in the Budget Estimates of Mysore City Municipality for 1952-53 towards Election expenses out of which a sum of Rs 10,610/- was spent during that year For the year 1953-54 a provision of Rs 12,000/- was made in the Budget Estimates and a sum of Rs 10,164-8-5 was spent during the year The total expenditure incurred is Rs 20,774-8-5 against Rs 20,574-8-5 shown in the statement furnished by the Municipal Commissioner The difference is due to the fact that the lunch charges incurred was Rs 2,571-11-0 and not 2,371-11-0 as shown in the statement

The expenditure incurred is however within the Budget Provision

The expenditure incurred by the Mysore City Municipal Council on the following items is covered by sanctions of Government as noted against each

The following remarks are offered regarding the other items of expenditure

- 1) Construction of Booths Rs 1,278-1-0 Expenditure incurred under this item for 87 polling stations in the 40 Divisions does not appear to be heavy when compared to the expenditure incurred during the last~~st~~ general elections as per Government Order No E B 12235-47/Ebc-134-51-1 dated 4-12-51, according to which Rs 10/- for providing screens for polling stations of two booths and Rs 20/- for providing enclosures to each of the polling stations was sanctioned. Only the scheduled rates have been allowed to the contractor on this work.
- 2) Hire charges of Buses Rs 1,022-14-6 This includes petrol charges of Rs 572-15-0 incurred. Hire charges at Rs 30~~2~~ per day per bus were paid. The hire charges for buses have been paid for, after proper audit scrutiny. However from the Log Book, Cum Trip Sheet maintained, details regarding the number of miles that^{the} buses ran during the period of election, were not clearly ascertainable.
- 3) Lunch Charges Rs 2,571/11/- and not Rs 2371-11-0 as incorrectly noted in the statement. The rate paid was Rs 2/- per head for meals and tiffin. The circumstances under which this higher rate was paid appear to have been brought to the notice of Government in the Municipal Commissioners letter No C2-P2 7525/53 dated 8-1-1954.

4) Miscellaneous Rs 510-5-6 A lumpsum of Rs 500/- was provided for miscellaneous charges The excess incurred is not much

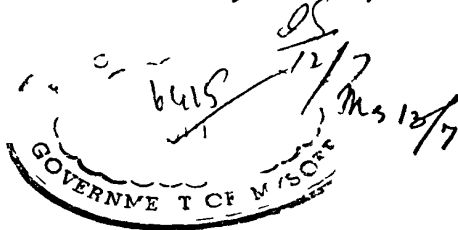

5) In the above circumstances the total expenditure of Rs 20,774-8-5 incurred towards election charges may perhaps be approved

NOTE regarding the expenditure towards the Municipal Elections

As there were proposals to hold the General Municipal Elections last year alone on the basis of Adult Franchise a sum of Rs 20,000/- had been provided for the purpose in the Budget for 1952-53. Out of this a sum of Rs 10,610/- was spent last year towards the printing the lists of voters etc. Subsequently the elections were postponed.

Therefore a provision of Rs. 12,000/- was made in the Budget for 1953-54 for the expenditure to be incurred for the elections which are to be held now.

An estimate for Rs 12,000/- showing the items under which the expenditure in the above connection has to be incurred now is herein enclosed.

Approval to the same may kindly be obtained of the Managing Committee by circulation and the subject placed before the Council on 30-11-53 to enable us to obtain the sanction of Government thereto and also to add it the bills in audit.
